

HEALTH CARE PROFESSIONAL'S STATEMENT

Becky Gates Children's Center

Texas A&M University

The Texas Department of Family and Protective Services requires that a child attending a childcare operation must provide proof of examination (a health statement) by a healthcare professional. A health statement is a written statement, from a health-care professional who has examined the child within the past year, indicating the child is able to take part in the childcare program.

Your child's doctor's office may use this form or their own form to notify BGCC that your child has been examined. Doctors may email a copy of this completed form to frontdesk@bgcc.tamu.edu.
